All

We received notice that a (virtual) detonation has occurred in Washington, DC. Massive fires and smoke throughout the area.

We have been asked to begin to assess options for debris decontamination, removal, and disposal.

Lek has asked for a briefing within the next 48 hours on options. Please immediately identify staff that has expertise in these areas who may be able to participate in brainstorming the options and provide the names and contact information.

NHSRC – I know that we have at a minimum Sang Don Lee and Paul Lemieux. Please add others.

Thanks.

Eric
